SENIOR CITIZENS CHRISTMAS PARTY

The date has been set for this years Senior Citizens Party for Friday 30th November, 2018.This is a great event and everyone over 65 is invited. So if you would like to be added to the list or have changed your postal address let the office know. 08 8629 2019.

CITIZEN OF THE YEAR NOMINATIONS

It's time to start thinking about our Australian Citizen's of the Year for January 2019. With the school year quickly coming to an end we need to ensure that the junior nomination is not missed. Nominations open on the 1st October and close on the 16th November. You can collect the nomination form from the council office and the school library.

RATES ON LINE

Council is still interested in having E-Mail addresses for all ratepayers. This will substantially reduce our postage costs but more importantly improve communication opportunities for all rate payers.

BUY LOCAL

I would like everyone to reflect on their buying habits. We must support our local traders and keep our businesses prosperous in town.

DROUGHT CO-ORDINATOR

Council has appointed a Co-ordinator to work with our farmers to ensure that they have access to all of the support and financing opportunities from both the State & Federal Governments. The co-ordinator will be working with other agencies, particularly PIRSA & NRM to visit your farm and see what help we can co-ordinate. Early focus has been on water and continuing drought. A grant application has been submitted for the water scheme to run water up to White Hill near Danger Corner. It is hoped this scheme can reticulate water to approximately 20 properties. We are looking at suitable sites to see if drift fencing can be used to limit the movement of topsoil from properties. Anyone interested in drift fencing should contact council.

NEXT GET TOGETHER

We have organised another function to follow up on the highly successful golf day. This time it will be a barefoot bowls day at the bowling club on Friday the 2nd of November (First Friday in November). The format will be a barbeque lunch followed by barefoot bowls until you drop. This is not just for farmers, everyone is welcome. Wives and kids—townsfolk and oldies show us how its done.

DOCTORS MATTER

We had a visit from the Minister for Health Steven Wade on 9th of October. He was on the Eyre Peninsula talking to Council's about the provision of health care. The meeting made the point that Cowell was the growth centre of our region and stressed the importance for Government to play a greater role in ensuring towns like Cowell were well serviced with doctors.

FREE WI-FI

Did you know there is access to Free Wi-Fi in the Main Street! Hot Spot range is from the Cowell Bakery to the Lions Park

Library News

Writers' Group

For anyone interested in joining our monthly Writers' Group, they are on the hunt for some new members. You don't need to be an award winning author. If you enjoy writing a few lines or even just listening to other people's stories then pop along to their next meeting in the library @ 5.30pm on Wednesday 7th November.

Book chat & cuppa group

Our next meeting is at 10.30am Thursday 8th November in the library. We'll be chatting about our latest book The Break by Marian Keyes. If you're interested in grabbing a copy and joining in, pop in and see Nicole or Dawn.

Lions Market Stall

Come and say hello to us at the next Lions market. We'll be bringing along a heap of retired books from our collection that are looking for new homes. We can also show you how to use the new Libraries SA app, a great way to manage your loans as well as placing holds.

Book holds and the Christmas holidays

We've had communication from Public Libraries that a final date has been set for stopping holds for the Christmas period. We temporarily stop holds being sent over the Christmas break so that books are not sitting in transport tubs while libraries are not open. If you regularly place holds or would like an item from another library, please make sure holds are placed before the 6th December. Any holds placed after this date will not be sent to our library until after the new year. If you need any help placing a hold, pop into the library or come and see us at the next Lions market.
