3. GUIDING PRINCIPLES

When considering making an order within the scope of this policy the District Council of Franklin Harbour will consider the following principles, which are considered central to the effective resolution of local nuisances on private land:

- hazard/danger posed to the community;
- risk to health/safety of the community;
- detraction from the amenity of the locality;
- repeated occurrence of the activity/incident (eg duration, previous offences);
- impact of any previous actions to overcome the problem;
- is the breach significant/substantial?;
- would an informal warning letter be sufficient?;
- are there any public interest issues?;
- whether there is sufficient evidence upon which Council may rely to exercise its order making powers
- the offenders attitude
- the number of complaints received in respect of the matter (if any).

3.2 Except in cases described in 3.3 below, in accordance with Section 255 of the Act, appropriate measures will be taken prior to making an order including:

- Giving the person to whom an order is intended to be directed a notice in writing stating the:-
 - proposed action

- penalties for non-compliance
- reasons for the proposed action
- inviting the person notified of the opportunity to give reason/s, within a specified time, why the proposed action should not be taken.

3.3 Reasonable steps will be taken to resolve cases of local nuisance by first negotiating with the person involved before considering issuing an order, except in cases where:

- Council considers the circumstances or activity constitutes, or is likely to constitute:-
 - a threat to life; or
 - an immediate threat to public health or public safety; or
 - an emergency situation.

Any such appeal must be lodged within 14 days of that person's receipt of the order. The Council will ensure that reference to this right of review is included in any order issued.
