Social Media Policy
1. **PURPOSE**

Social media allows online communities with common interests to connect, share and consume information, thoughts and ideas. The District Council of Franklin Harbour recognises the opportunities that social media provides to engage in meaningful, two way communication with the broader community. This can complement and enhance existing communication, customer service and consultation methods, and further improve access to, and delivery of, key services.

The Council also recognises the value of social media to the organisation provided through networking, recruitment, professional development, employee engagement, collaboration and innovation.

The intent of this policy is to provide clear guidance on the appropriate use of social media platforms and tools in order to enable and encourage its use by Council members and Council employees for the purpose of conducting Council business.

The policy aims to:

- Promote effective and productive community engagement through social media
- Provide guidance about the appropriate use of social media tools at the District Council of Franklin Harbour
- Reduce the likelihood of miscommunication or inappropriate communications
- Help the District Council of Franklin Harbour manage new challenges associated with social media such as speed and immediacy, record keeping, privacy and security
- Provide clarity about roles and responsibilities in relation to use, approval and monitoring.

2. **SCOPE**

This Policy applies to Council members and employees of the District Council of Franklin Harbour, who purport to use social media on behalf of the District Council of Franklin Harbour. This policy will also apply to agencies and individuals who provide services to the District Council of Franklin Harbour, and will be included in all relevant external supplier contracts.

The policy applies to all current and future social media tools and channels. That is, digital spaces where people comment, view, contribute, create, forward, post, upload and share content, such as:
Social Media Policy

- Blogs, forums, discussion and bulletin boards, instant messaging facilities and citizen journalism and news sites which facilitate public comment
- Microblogging sites (e.g. Twitter)
- Social networking sites (e.g. Facebook, MySpace, Google+, Bebo, Friendster, LinkedIn)
- Podcasts, video podcasts, video and photo sharing sites (e.g. Flickr, YouTube, Pinterest, Instagram)
- Online encyclopaedias (e.g. Wikipedia)
- Online collaboration platforms (e.g. Yammer, Wiki)

Any other websites that allow individuals to use simple publishing tools or new technologies emerging from the digital environment.

As it is not possible to expressly refer to or list all the specific sites or kinds of social media activity, the absence of a reference does not limit the application of this policy.

This policy applies only to the use of social media for:

- The purpose of conducting Council business and where representing Council; and
- Personal use where reference is made to Councillors, staff, policies and services, suppliers or other stakeholders or Council related issues.

Unlimited personal use of social media is permitted during paid working hours provided it is incidental. Use must not affect the expected levels of performance and productivity, output and work responsibilities, and must comply with relevant policies.

3. LEGISLATIVE & POLICY FRAMEWORK

Council members and employees of the District Council of Franklin Harbour are expected to demonstrate standards of conduct and behaviour that are consistent with relevant legislation, regulations and policies. A list of relevant legislation which may be used as a guide is included in Appendix A. Council policies and guideline provisions which must be adhered to in relation to the use of social media include the following:

- District Council of Franklin Harbour Code of Conduct - Council Member's
- District Council of Franklin Harbour Code of Conduct for Council Employees
- District Council of Franklin Harbour Public Consultation Policy
- District Council of Franklin Harbour Records Management Policy

4. POLICY STATEMENT

The District Council of Franklin Harbour encourages the appropriate and professional use of social media to aid the efficient and effective conduct of Council business.

Social media is recognised as an important channel, used in conjunction with traditional methods, to communicate, listen to, engage and collaborate with the community and enhance the delivery of services. At all times, use of social media by Council members and staff should be done in a professional manner, in accordance with relevant policies and legislations, and consistent with the values of the District Council of Franklin Harbour.

4.1 Usage

Speak how you would like to be spoken to
Social Media Policy

- Be courteous, patient and respectful of others’ opinions, including detractors
- Use your own voice, but be mindful of language and expression
- Don’t make statements or forward, share or upload content that is malicious, defamatory or may negatively impact the reputation of another
- Be mindful of anti-discrimination laws and do not publish statements or information which may be discriminatory

Refer to Attachment B for guidance on how to respond to social media comments.

Stick to the facts
- Only comment about matters within your area of expertise
- Be accurate, constructive, helpful and informative, and correct any errors as soon as practicable
- Only publish content and statements that you know are true, clear and not likely to mislead or deceive
- If you make an error, be up front and correct it quickly

Keep your opinion, beliefs and political views separate from Council business
- Only publish content on Council’s social media channels that is apolitical, in line with official Council positions and Council values, and free from personal opinions, beliefs and political views
- Council staff using private social media channels outside of work hours to comment about Council related matters should clearly identify their comments as their own personal opinions, be accurate and factual and not disparage Council, Councillors, employees or contractors etc
- Council members should use social media in accordance with Council’s Code of Conduct. Generally, Council members should not express personal opinions on Council decisions or council business not be critical of the Council. If it is not possible to separate official Council positions from personal opinions, Council members should consider using a formal disclaimer to separate interests

Stay within your level of authorisation
- Only use social media channels in the manner for which you have been authorised and do not commit Council to actions or undertakings
- Leave formal statements and announcements to the official spokespeople and if you are unsure, check with your supervisor
- Refer any media enquiries via social media or posts about potentially sensitive/political issues to the Chief Executive Officer for a response

Be fair and transparent
- Be clear about your professional identity and any vested interests and refrain from covert, anonymous or deceitful representation including via a third party
- Encourage open, honest and transparent engagement and feedback by the online community
Social Media Policy

- Refrain from any behaviour which could be seen as biased, showing undue favour or in response to real or perceived compensation or reward

**Maintain confidentiality and respect the privacy and property of others**
- Only discuss publicly available information and maintain the confidentiality of internal discussions, confidential decisions of Council, and personal or private information about Councillors, employees or third parties
- Seek permission from anyone who appears in any photographs, video or other footage before sharing via any form of social media and if asked to remove materials do so as soon as practicable
- Only use or reproduce copyright material, or the intellectual property of others, including applications, sound recordings (speeches, songs), footage (video), graphics (graphs, charts and logos), images, artwork, photographs, publications or music if you have permission from the creator or owner

**Be responsible, accessible and responsive**
- Appropriately monitor any social media sites created and ensure they can be easily edited, improved or removed
- Specify the type of comments and feedback that will receive a response and clearly communicate a target response time. Refer to Attachment B for guidance on how to respond to social media comments
- Make it easy for audiences to reach Council via other methods by publishing Council’s phone number, generic email and Facebook accounts
- Do not use social media when inebriated, irritated, upset or tired
- Protect your personal privacy and guard against identity theft

**Uphold acceptable content standards**
Under no circumstances is the following content permitted on Council social media channels, and if found, formally report, record and then delete it immediately:
- Abusive, profane or sexual language
- Discriminatory material in relation to a person or group based on age, colour, creed, disability, family status, gender identity, nationality, marital status, parental status, political opinion/affiliation, pregnancy or potential pregnancy, race or social origin, religious beliefs/activity, responsibilities, sex or sexual orientation
- Illegal material or materials designed to encourage law breaking
- Materials that could compromise Council, employee or system safety
- Materials which would breach applicable laws (defamation, privacy, trade practices, copyright, financial rules and regulations, fair use, trademarks)
- Confidential information about Council or third parties
- Material that would offend contemporary standards of taste and decency
- Material which would bring the Council into disrepute
- Personal details or references to Council members, Council staff or third parties, which may be inconsistent with Council’s Privacy Policy
Social Media Policy

- Spam, meaning the distribution of unsolicited bulk electronic messages
- Statements which may be considered to be bullying or harassment

If you have any doubt about applying the provisions of this policy, check with the Chief Executive Officer before using social media to communicate. Depending upon the nature of the issue and potential risk, it may also be appropriate to consider seeking legal advice.

4.2 Management

Approval

The establishment of new social media sites must be approved by the Chief Executive Officer. Approval of new social media sites should consider the identified business objective, audience, proposed use in line with this policy, resourcing requirements and ensure alignment with Council's branding and style guidelines.

Security

To protect from unauthorised use of Council's social media channels, login information should be kept secure and changed at regular intervals;

- Choose passwords that combine upper and lower case letters and numbers
- Store login information in a secure location and the Office Manager will maintain a centralised list of all Council's social media with appropriate access restrictions
- Change passwords every six months and when an employee with access to a Council social media channel leaves the organisation

Monitoring

Council's social media channels should be regularly monitored and maintained to ensure appropriate use. Where necessary keep formal records of social media activity in line with Council's Records Management Policy.

Council and non-Council social media channels should be monitored for information, research and insight into issues circulating in the community and/or matters that impact on the municipality, its operations or reputation.

Evaluation and continuous improvement

Use of Council's social media channels should be reviewed at regular intervals to ensure they are achieving business objectives and to seek opportunities for further improvement. This includes review of qualitative (feedback, comments) and quantitative data (likes, reach, audience make-up, number of comments, click throughs to Council websites etc).

6. ADHERENCE TO POLICY

Council reserves the right for legal compliance purposes, to monitor social media usage on its systems without advance notice and consistent with any applicable state, federal or international laws.

The District Council of Franklin Harbour will actively monitor social media for relevant contributions that impact on the Council, its operations and reputation, and remove, where possible, content that violates this policy or may associated policies. This policy will be published and promoted to Council members and staff of the District council of Franklin Harbour.
Any staff found breaching this policy may be subject to disciplinary action, performance management and/or review. Serious breaches may result in suspension or termination of employment or association in accordance with Council policies. Any content that breaches the policy guidelines will be recorded and kept on personnel records.

For Council members, breaching this policy may result in a code of conduct complaint.

If Council members or staff become aware of any comments that breach these guidelines they should report them to the Chief Executive Officer and include a link or reference to the offending material.

7. REVIEW & EVALUATION

This Policy will be reviewed by the District Council of Franklin Harbour within 12 months after each general election of Council. To ensure the principle of open Governance is being applied in the proper manner, it is anticipated that a review will be conducted every three years. However, Council has the right to review this Policy at any time, if considered desirable.

8. AVAILABILITY OF POLICY

This Policy will be available for inspection at Council’s principal office during ordinary business hours and on the Council’s website www.franklinharbour.sa.gov.au Copies will also be provided to interested members of the community upon request, and upon payment of a fee in accordance with Council’s Schedule of Fees and Charges.
