WHS Contractor Management Policy
1. POLICY

The District Council of Franklin Harbour (Council) is committed to achieving a high level of pro-active Work Health and Safety (WHS) management during the application of contracts.

To facilitate this Council is dedicated to a contractor management system which provides for the selection of contractors with appropriate safety controls, the exchange of information between the Council and its contractors to facilitate the identification of hazards, risk management, and the appropriate monitoring of the contractors engaged by Council.

1.1. This policy specifically addresses these requirements by seeking to:

1.1.1. Utilise only those Contractors who can demonstrate an appropriate WHS Management System capability that, at a minimum, meets the organisation’s policy standards; and

1.1.2. Achieve a specific WHS issues focus, which will optimise safety management for workers contracted by the Council.

1.2. Key elements of Council WHS Contractor Management system are:

1.2.1. A defined process for the selection of Contractors with appropriate WHS controls.

1.2.2. Consultation, Communication, Co-operation and Coordination process with Contractors.

1.2.3. Appropriate monitoring by the organisation’s employees of WHS systems/work practices undertaken by Contractors.

NOTE: This policy and its application to the District Council of Franklin Harbour contracts does not reduce in any way a Contractor’s WHS legislative and statutory obligations nor infers the relationship of employer/employee, master/servant or partnership.

2. RESPONSIBILITIES

2.1 It is the responsibility of Works Manager to identify and communicate foreseeable WHS risks relevant to the contract work, with the contractor. This includes any specific WHS requirements of the Contractor undertaking the contract and relevant selection, induction and monitoring responsibilities as outlined in the WHS Contractor Management Procedure.

2.2 The Contractor undertaking a Council contract is responsible for:

2.2.1 Complying with WHS legislation

2.2.2 Cooperating with any safety policies, procedures and information provided by the Council

2.2.3 Identifying hazards associated with the work being undertaken and ensuring all identified hazards are managed in accordance with WHS legislation.

2.3 It is the responsibility of the Works Manager to review and confirm any technical aspects of the work, to the extent that they have the relevant technical expertise, that need clarification including appropriateness of the risk assessment/JSA/SWMS.

2.4 It is the responsibility of Manager of Corporate Services to confirm the Contractor management system is used for work that involves engaging a contractor.
